

Dear Parents:

Please note that there are some extreme changes to our calendar. The School Board Just informed us that they decided that Friday, October 13th would be a Professional Day for High School teachers; meaning no students that day. WELL, that was to be our Scene Day. So we have had to regroup and re-do our calendar. This will also affect the Guys and Dolls Rehearsal Schedule that was based on the original dates. A separate note will come out for the Rehearsal Calendar after I have had time to revamp it.

Here are NEW DATES to include in your calendar.

Monday, September 25th will be our Big Brother/Big Sister Speed Meet at 6:00 in the PAC.

This is the meeting where the underclassmen get to meet the upper classmen and lobby for their preference as to who their Bigs and Littles will be.

During this meeting the kids will speed meet and then fill out their preferences.

A few days later we will post who “belongs” to whom.

The Bigs will take the Littles under their wing and be their buddy for the year.

Girls get Girls and Boys get Boys
