Rehearsals will be Monday – Thursday after school until 7:00 with one mandatory Saturday rehearsal (March 2nd). The week of performance rehearsals are from 5:30 – 9:30. The show dates are: March 14, 15 and 16th at 6:00 p.m. in the PAC. If student has to do stage combat, extra rehearsals may be called. The number of days they come to rehearsals depends on their part. Everyone must be at all rehearsals – NO EXCUSES; beginning February 11th.

The Caddo Magnet Players are known INTERNATIONALLY for their excellent productions. A large reason is the rehearsal period. Every person in a show is pivotal, including ones who have little or no dialogue. They are part of making the scene come alive. I try not to have the students come unless it is necessary to the production. Please DO NOT use play practice as part of discipline for your child. Remember there will be about 30 people affected if your child is not there. Please don't schedule doctor's appointments during rehearsal time. Please check your calendar carefully and list any conflicts above, these will be taken into consideration when casting.

I have read this form and agree to abide by the decisions of the director and I will have my student at rehearsals when they are needed. I will not take my student out of the show or keep from rehearsal as a form of punishment because that would affect over 30 people.
